

Polyester film 2-sided dissipative, copyable

Product Number EP1301003

Product Description

- for subsequent bonding to insulating surfaces
- Width x length 1.22 m x 1-100 m
- **Price per running meter (for a width of 1.22 m)**
- Typical surface resistance $RS = 10^6 - 10^8 \text{ Ohm}$
- **conductive on both sides**, abrasion-resistant, transparent, **can be copied**,
- complies with IEC 61340-5-1,
- Thickness: 0.1 mm
