

## Bernstein Spannfix ESD vice

**Product Number** EP1403008

### Product Description

With table attachment for clamping, in dissipative design, with ball joint, for workbenches or laboratory tables with max. table top thickness of 80 mm, Surface resistance  $10^7-10^8$  Ohm,

- Clamping pressure 150 kp,
- Clamping width of jaws 70 mm,
- Clamping width table clamp 80 mm,
- Clamping depth 38 mm,
- Jaw width 50 mm,
- replaceable plastic jaws made of dissipative material,
- Weight 1.450 kg
