

Bubble wrap conductive

Product Number EP0703017

Variants Length x width: 100 m x 30 cm

Product Description

- Bubble wrap, black, conductive
- Length x width: **100 m x 30 cm**
- Electrostatic volume conductive copolymer film
- 3-ply, amine-free, weldable, recyclable
- Surface resistance: approx. 10^4 to 10^5 Ohm
