

ESD swivel chair ERGO QUADRA SE

Product Number EP0805111

Variants
Armrest: Without armrest
Cover: Black fabric (0411)

Product Description

The QUADRA Syncro-Evolution, ESD chair is equipped with soft, conductive castors for hard floors and a base made of polished, conductive aluminum. The Syncro Evolution seat technology with three-stage **seat tilt adjustment and seat depth adjustment** by 6 cm enables an optimally ergonomic sitting posture. The seat height can be adjusted between 40 cm and 52 cm. You can adjust the height of the particularly high, rectangular backrest by 7 cm. This swivel chair is delivered partially assembled in a cardboard box.
