

PROTEX® ESD work coat, unisex, handsfree

Product Number EP1004355

Variants Size: XS

Colour: Light blue

Product Description

For greater **freedom of movement at the ESD workplace**, the ESD-PROTECT **hands-free work coats** are equipped with a **DK 10 connection on the sleeve**, which can be used to connect the ESD wrist strap. The attached DK 10 base is simply connected to the connection of the ESD wrist strap.

The ESD hands-free work coat also has two **DK10 connections on both side pockets**. These are connected to the earthing box using a spiral cable.

Correct earthing is ensured by conductive fibers in the ESD work coat and the connected wrist strap on the arm.

- Cut: Unisex
- Material: 64 % polyester, 33 % cotton, 3 % conductive fiber
- Resistance: 10E6– 10E9 ☒
- sleeves with DK base in the right inner sleeve, suitable for DK 10 wrist straps
