Product Description

Abeba ESD professional shoe x-light 7131136

Abeba safety shoes x-light 7131136 are the perfect shoes for anyone looking for optimum safety and comfort. They are CE-certified and EN ISO 20347:2012-certified and therefore offer the highest safety standards. The shoes are made from smooth leather and come in black. The breathable inner lining with silver ions is particularly skin-friendly and guarantees a comfortable fit. The instep area is adjustable and the double Velcro fastener ensures an individual fit for every foot. The slip-resistant PU outsole is particularly durable and the replaceable Active Comfort insole (item 351610) offers optimum comfort. Sanitized treated materials ensure hygienic cleanliness.
