Product Description

ESD shoe Uni6 36776

The abeba ESD shoe Uni6 36776 is the ideal safety shoe for anyone who needs to handle electronic devices with particular care. The shoe is ESD-compliant in accordance with DIN EN 61340 and therefore offers the best possible protection against static electricity. The shoe is also slip-resistant and splash-proof. The ESD shoe is equipped with a breathable inner lining with silver ions, a slip-resistant TPU outsole and an instep area with lacing.
