Product Number EP1008374

Variants Size: 35

Product Description

Abeba ESD safety shoe Uni6 31676

These abeba Uni6 31676 ESD safety shoes are the perfect choice for working in environments where it is important to avoid static charges. These shoes are manufactured using the latest technology and meet the highest safety standards. They are comfortable to wear and offer a high level of comfort thanks to the breathable silver ion lining. The slip-resistant TPU outsole also ensures optimum grip. Thanks to the steel toe cap and metal-free penetration resistance, maximum safety is also guaranteed.
