

Abeba ESD safety shoe Anatom 32120

Product Number EP1008402

Variants Size: 36

Product Description

Abeba ESD safety shoe Anatom 32120

These ESD shoes are the perfect choice for professionals who pay attention to safety and comfort. The shoes are made of microfiber and are breathable. The inner lining is coated with silver ions and offers optimum comfort. The heel straps are fixed and adjustable, the instep area is also adjustable and equipped with an elastic band. The Velcro fastener ensures a perfect fit. The PU midsole is cushioning and the outsole is slip-resistant. The steel toe cap offers additional protection. These ESD shoes comply with the ESD guidelines in accordance with DIN EN 61340.
