Product Description

Abeba ESD professional shoe Nature 4040

This ESD professional shoe is the perfect protection for your feet. It is made from high-quality smooth leather and is white in color. The heel strap is fixed and adjustable, the instep area is also adjustable. The buckle fastening makes the shoe easy to put on and take off. The slip-resistant rubber outsole ensures optimum grip on smooth floors. With the leather-covered cork footbed, this ESD shoe is ESD-compliant in accordance with DIN EN 61340.
