

WERA ESD screwdriver Phillips

Product Number EP1402171

Variants Size: PH0 (40)

Product Description

WERA ESD screwdriver cross (Phillips) PH000

Output size: PH000

Blade length: 40 mm

Surface resistance: $10^9 \Omega$

LxWxH: 139 x 19 x 19 mm

Weight: 12g

Electrostatic protected micro screwdriver. Safe protection against electrostatic energy and associated damage. Lightning-fast twirling is possible by resting the hand on the rotating cap and using the fast-turning zone underneath the rotating cap. No more time-consuming regripping. Power zone with integrated soft zones ensures the transmission of high loosening and tightening torques. Precision zone for the correct angle of rotation for adjustment work. The Black Point tip offers a precise fit and optimized corrosion protection.
