

Slip-on shoe dispenser Hygomat Comfort

Product Number EP0104018

Product Description

The Hygomat Comfort impresses with its reliable, maintenance-free mechanism and is universally suitable for visitors and employees in hygienic areas. It consumes no electricity and can therefore be used anywhere, saving energy.

The Hygomat Comfort overshoe dispenser is an excellent solution for anyone who wants to save time and keep the process of putting on disposable overshoes as short as possible. With the Hygomat, putting on overshoes is 4x faster than manually! No more bending over, trying on and long waiting times. At the same time, you work very hygienically with this overshoe machine because the overshoes do not have to be touched with your hands. This allows you to easily and effectively prevent cross-contamination within your work areas.

The Hygomat is available in a comfort version with a convenient handrail and a large capacity for 220 overshoes. The mobile Hygomat overshoe dispenser can be set up anywhere and is suitable for all types of shoes – even shoes with heels.

- extremely efficient system for disposable overshoes
- 4x faster than manual donning
- very user-friendly, no bending down
- works without electricity
- with handle for easier donning
- Space for up to 220 overshoes
