

Bimos NEON I with synchronous seat technology, with glides

Product Number EP0805232

Variants Armrest: Without armrest
NEON padding: Duotec ESD black fabric

Product Description

The ESD NEON ensures safe discharge in the ESD area. Not only is it comfortable and supports the body during every activity, its ESD properties ensure that potentially dangerous electrostatic charges are reliably discharged. The ESD NEON reliably meets the requirements of the ESD standard DIN EN 61340-5-1 and has a typical discharge resistance of 10^6 ohms.

- Seat technology Synchronous technology
- Seat height 450 – 620 mm
- Backrest height 570 mm
- Seat width 470 mm
- Seat depth 420 – 480 mm
- Resistance $10E6$ Ohm, 100% ESD-safe
- Castors made of conductive plastic
- Aluminum base, black-grey, diameter 700 mm
- Upholstery can be changed without tools using the click system
- Weight 20 kg
- 10-year guarantee

optional with armrests: height-, depth-, width-adjustable, swivel-mounted
