

Ionizer ION-1000, table blower

Product Number EP0401045

Product Description

ION-1000 Zero-Volt ionizing table blower

- Ionization range: 30 cm -120 cm
- Neutralization time in the range of 30 cm: 2 seconds
- Ventilation: three-stage
- Self-balancing of the offset voltage: ± 3 to ± 25 V
- Dimensions (height x width x depth): 24.1cm x 15.2 cm x 7.9 cm
- **Operating voltage 220 V direct connection**
- Adjustable angle of inclination
- Ozone emission 0.05 ppm
- Weight 2 kg

Special features:

- Stainless steel housing
- Low offset voltage (± 50 V)

Also available as [PRORENT](#) rental device.
